

13 September 2024

Monday 16 September is **Week A**

Dear Parents and Carers

Attendance

Year Group	Week Ending 13 September
7	96.5%
8	96.4%
9	93.4%
10	90.8%
11	93.5%

The top tutor groups this week for attendance with 99.5% was 9ALD.

Assemblies

Mr Reah welcomed our pupils back for their first full week in school during assembly this week. Pupils were told about the Extra-Curricular activities available for their year group, both after school and during lunchtimes. Mr Reah also shared the history of the school coat of arms and what the elements in it symbolised.

School Photos

School Photos took place this week and your child should have brought home a card with details for you to view the photos. If you have not been given these details, please contact admin@hayling.hants.sch.uk and they will be able to provide you with the details for your child.

Extra-Curricular Activities

Details of our Extra-Curricular Activities are available now on our website <https://hayling.hants.sch.uk/extra-curricular-activities/>

Please encourage your child to participate in these activities where they can develop their interests and hobbies while learning valuable life skills which will support them now and in the future. Pupils that participate in extra-curricular clubs that they are passionate about, can increase brain function and help them manage their time. These activities also provide a wealth of social opportunities that gives pupils something fun to do outside of their studies, allowing time to build friendships and relationships with staff and students alike; the more that our pupils push themselves in their extra-curricular endeavours, the more they will develop these skills.

Year 6 Tours

THE
HAYLING
COLLEGE

September 2025 New Year 7 Students

If you have a child who is currently in year 6 at primary school, or know someone who does, and would like to come and look around the school please book your tour

<https://www.eventbrite.co.uk/e/year-5-tour-of-the-hayling-college-tickets-906099998487>

There is a selection of dates available, in September / October. Further details of all dates available are on our website at <https://hayling.hants.sch.uk/joining-us/year-5-tours/>

We appreciate that some people prefer a more informal chance to look around the school, so why not come to one of our Open Mornings in a much more relaxed atmosphere and be shown around by some of our students?

We will be running Open Mornings on Friday 27 September and Friday 4 October, between 9am – 10.30am and 11am – 12.30pm on both days. The Open Mornings do not need to be booked.

Governors Vacancies

Could you volunteer and become a Parent Governor?

We are growing our team of governors and looking for parents and partners to get involved.

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Headteacher and school staff to help

provide a happy, safe and thriving learning environment and an excellent education for all the children.

As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience not only for your own child but for children in years to come.

This voluntary role can be challenging yet extremely rewarding and is a great way to build on your personal and professional skills. You will be supported in the role through a programme of training and mentoring allowing you to use your knowledge and experience to the full extent.

More information is [available here](#), or why not get in touch and come in for a chat admin@hayling.hants.sch.uk

BeeWell Survey

Parents and Carers of year 9 and 10 pupils will have received a letter from Ms Cox regarding participation in the BeeWell Survey. We hope as many pupils as possible will take part in this national survey, but if you wish for your child to opt out, please complete the form sent to you.

#BEEWELL

What is BeeWell?

#BeeWell is a programme that aims to understand the issues that matter to young people through an annual wellbeing survey delivered to secondary schools. The results are anonymised and combined so that schools, voluntary agencies, local government and health can act on what young people are saying and make positive change.

In 2023, **22,000** young people in Hampshire, Isle of Wight, Portsmouth and Southampton had their voices heard through the #BeeWell Programme.

The survey

All schools in Hampshire, the Isle of Wight, Portsmouth and Southampton have been invited to participate. Students in years 9 and 10 are invited to complete the survey at school between 1 October and 29 November 2024. You have the option to opt them out, students are also able to opt themselves out at any time.

200 young people have been involved in developing the questions and cocreating the survey by telling us what factors influence their wellbeing, and what makes them thrive. It is important we get the opportunity to hear all young people's voices, so alongside the standard survey, there is a shorter version and a symbol version. The survey can be completed in multiple sittings and young people will be supported by their teachers to complete.

Schools will receive a confidential, bespoke feedback report to provide insight into the wellbeing of students. All individual surveys are anonymous, however collectively will be able to inform improvements. Neighbourhood level data will also be publicly available to help local organisations and businesses target resources to where they are most needed.

LISTEN.

ACT.

CELEBRATE.

Park Run

We're looking into running a Junior Parkrun event at 9am every Sunday throughout the year. To do this we would require an Event Director and a team of volunteers to commit to do this every week.

Would you be interested in getting involved? If so, please contact Emma Cooper at admin@hayling.hants.sch.uk for more information.
