Year 10 News

Year 10 Settling in Meetings will take place during the week of 11 November. Details to follow.

Year 11 News

Another great week from Year 11 ends and we are really pleased with how your wonderful young people are working so hard. We continue to have regular attendance to our after-school clubs and homework is consistently being completed. Well done Year 11!

The settling-in meetings from this week have been very productive. If you were not able to attend and would like to speak about your young person's progress, please contact their tutor.

We are running a Year 11 Zoom meeting on Thursday 17 October 6:00 to 6:45pm to discuss English, Maths and Science. Details are available on the Year 11 page on our website <https://hayling.hants.sch.uk/students/year-11-2025/>

Havant and South Downs College presented an assembly today and gave some details of their open events. Some links to local sixth forms and colleges can be found here:

Assemblies

Our Assemblies this week were about Managing Emotions. Mr Fisher gave our pupils information how to manage their emotions and the support that is available for them.

There is support available for young people aged 11 – 25 and also for parents and carers through Off The Record www.otr-south.org.uk

Annual Nasal Flu Vaccination

You will have received an email regarding your child's annual Nasal Flu Vaccination.

Click the link below for the electronic form and information about the vaccine. **Access to the form will close at 10am on Wednesday 16 October.**

7	95%
8	95%
9	91.3%
10	90.1%
11	90.6%

We saw some great attendance this week, and the top tutor group this week for attendance with 97.4% was 7THO.

Performing Arts Fundraising

The Performing Arts Department are looking to fundraise to help with the cost of putting on shows for our pupils to perform in both to their peers, parents and the wider community. We're now registered with Easyfundraising, which means you can help us for FREE. Over 7,000 brands will donate to us when you use Easyfundraising to shop with them – at no extra cost to yourself! All you need to do is sign up and remember to use Easyfundraising whenever you shop online. It's easy and completely FREE!

These donations really mount up, so please sign up to support us at https://www.easyfundraising.org.uk/causes/the-hayling-college/?utm_medium=email&utm_campaign=pmc&utm_content=email-l or use the QR Code.

If you can share this App with family and friends it would be really appreciated by the Performing Arts team.

The Friends of Hayling College

FOHC is a group that has been formed to support the school and make a difference. We are made up of all different people within the local community and are always looking for new members to join and make Hayling College the best school possible.

We need new members of the school community to join us to help make that difference.

How Can you help?

If you would like to get involved, here are some of the ways you can help:

- Attend meetings
- Fundraising
- Volunteering i.e., your time
- Sponsorship
- Tasks at the school such as helping with the orchard and vegetable areas
- Join our group on Facebook Friends of Hayling College (share with your friends and like our posts)
- Follow us on Instagram @friendsofthehaylingcollege (like our posts)
- Attend and help at events for an hour
- Donate on our page
- Join our school lottery
- Hire one of our school facilities, conference rooms, dance halls, climbing wall and more
- Provide a gift for a raffle

Careers Opportunities and College Open Days

Women in Engineering Experience: BAE Systems – Apply Now!

Discover pathways to STEM success with BAE Systems insight experience for identifying females. They are one of the UK's leading STEM employers, bringing together 45,700 professionals nationwide across engineering, aeronautics, technology, procurement, project management and many more. They're passionate about helping young people embrace STEM subjects and discover careers in engineering and technology. They aspire to inspire bright minds from all backgrounds to access opportunities in our industry. BAE Systems serve, supply and protect those who serve and protect us – and provide opportunities for our 5,500 apprentices and graduates in learning to find a place to build meaningful careers.

Women in Engineering Insight Experience

The apprenticeship insight event introduces BAE Systems, engineering, and their early careers programmes. Taking place over four days throughout January 2025, students will have the opportunity to learn more about BAE Systems, gain hands on experience, and visit their sites. There will also be opportunities to meet some current engineering apprentices, who will provide insights into their role and share their experience.

Following the experience, students could be offered a full-time position on one of BAE Systems engineering apprenticeships, starting in Autumn 2025.

Portsmouth dates are expected to be: 13, 22, 27 and 29 January 2025. Dates subject to final confirmation.
