

Badminton Success at Upper School Federation Tournament

Our Year 10 and 11 badminton teams competed in the Upper School Federation Tournament at Crookhorn College on Tuesday and produced some fantastic performances.

Our **A Team** were **outstanding**, winning all of their matches against Oaklands, Warblington and Crookhorn. In the final they delivered a superb performance, beating Crookhorn **11–2** to secure the tournament victory.

The students demonstrated excellent badminton skills, teamwork and sportsmanship throughout and represented the college brilliantly. Other great results included:

- One Hayling team finishing 3rd overall
- Our Year 10 team finishing 2nd place in the B Pool

A huge well done to all the students involved for their effort, commitment and positive attitude throughout the afternoon.

Year 7 & 8 Girls' Football

Our Year 7 and 8 girls travelled to Cowplain on Monday to play fixtures against Crookhorn and Cowplain.

After a difficult result the previous week, the team showed fantastic resilience and bounced back with confidence, strong teamwork and some excellent attacking play.

The girls worked incredibly hard across all matches and supported each other brilliantly.

Key dates for WC 16th March

- RED NOSE WEEK
- YEAR 11 PARENTS EVENING (19TH)
- FOREST SCHOOL TRIP
- SCHOOL PHOTOS
- YEAR 10 MUSIC NEA

ImpactEd Inclusion Survey

As part of our ongoing commitment to ensuring every student feels valued, supported, and included at Hayling College, we are inviting parents and carers to complete the **ImpactEd Inclusion Survey**. Your feedback is incredibly important and will help us understand what we're doing well and where we can make things even better.

What is ImpactEd?

ImpactEd is a national, non-profit organisation that works with schools to help them understand what's working well for young people and where improvements can be made. They specialise in supporting schools with research, evaluation, and gathering pupil and parent feedback, helping leaders make informed decisions based on clear evidence. Their work has reached over **1,000 schools nationally**, helping teachers and leaders gain deeper insights into pupil experience.

ImpactEd also provides expert guidance and data-driven insights to help schools strengthen inclusion, improve outcomes, and ensure every child feels supported.

The survey only takes a few minutes to complete and can be accessed here:

<https://app.impactd.org.uk/q/haylingcollege>

Thank you for taking the time to share your views and for supporting our continued work to make Hayling College a place where every student can thrive.

British Science Week!

This week The Hayling College celebrated British Science Week. In this weeks assembly we asked the question, "what is the cost scientific exploration?" And in our own Space Race we pitted house teams against one another to design, construct, and test their own model Mars Lander using an egg as a fragile payload. How many survived this or-

deal will be revealed during the end of term whole school assembly!

Innovation Competition!

The Rotary Club of Canterbury, in partnership with the STEM Hub at Canterbury Christ Church University, is inviting secondary students to enter the 13th Annual Innovation Competition. Students can submit creative STEM ideas that solve real-world problems. Entries can be indi-

vidual or teams of up to four students.

Prizes: £300 (1st), £100 (2nd), £50 (3rd)

Deadline: 31st March

Submit to: mar-ta.morgan@hayling.hants.sch.uk or A4 copies to Room Maths2

Week 3 of the 25 to Thrive Attendance Challenge

We were delighted to complete **Week 3 of our 25 to Thrive – 25 Day Attendance Challenge!** Each day in school gave students the opportunity to learn, develop new skills, and achieve their best. It was fantastic to see so many students continuing the momentum by arriving on time and ready to learn throughout the week.

Students with no absences this week received merits and raffle tickets.

□ They were also entered

into our **Friday Prize Draw** for the chance to win a **£10 gift card and an Easter egg or two.**

Well done to everyone who helped make **Week 3 another successful week!**

Thankyou!

A big thank you to the **Lions** for their generosity in donating a fantastic Easter egg for our school!

This wonderful donation will be raffled to help raise funds for our upcoming **School Prom**, and we are very grateful for their continued support of our pupils and the wider school community.

Raffle tickets are now available on Scope, so be sure to take part for the chance to win this delicious prize while supporting a great cause.

Thank you again to the Lions for your kindness and generosity – it truly makes a difference.

Reduced-Cost Swimming Lessons Opportunity!

Horizon Leisure Trust is offering a fantastic opportunity for children to **learn to swim for just £10 per month** (usually £34 per month) at **Havant Leisure Centre**.

This reduced-cost programme is available for families who receive one of the following benefits:

- Income Support
- Employment Support Allowance
- Universal Credit
- Pension Credit
- Job Seekers Allowance
- Housing Benefit
- Residence Permit card with RT number
- eVisa

Families must **complete an application** to be considered for the programme.

You can apply here:

<https://horizonlc.com/swimming/horizon-swim-school/learn-to-swim-with-portsmouth-water/>

This is a great opportunity for children to develop an important **life skill in a safe and supportive environment**. If you would like further information about the programme or Horizon Leisure Trust, please follow the link above.
